### Are you looking for a GREAT BOOK on PRAYER?

Then may we recommend, "Prayer: Finding the Heart's True Home", by Richard Foster.

*"The truth of the matter is, we all come to prayer with a tangled mass of motives- altruistic and selfish, merciful and hateful, loving and bitter. Frankly, this side of eternity we will NEVER unravel the good from the bad, the pure from the impure. But what I have come to see is that God is big enough to receive us with all our mixture. We do not have to be bright, or pure, or filled with faith, or anything. That is what grace means, and not only are we saved by grace, we live by it as well. And we pray by it." ~Richard Foster*

This book is insightful and encouraging and will show you that there are new depths to experience in prayer. Take it home & give it a read. You won't be disappointed!

The book is available in our 'Give & Take Library' in the entryway.
