Lent is a forty-day (not including Sundays) season of preparation for Easter. It begins on Ash Wednesday and ends on Holy Saturday.

The forty days of Lent are modelled after Jesus' forty days in the desert in preparation for his ministry, which was itself a reflection of Israel's forty years wandering in the wilderness. In the early church, Lent was also a time for new converts to prepare for their baptism, which would happen at Easter.

Lent is about identifying with Jesus' struggles in his ministry and suffering during Holy Week as well as reflecting on our own faith and the ways we have wandered away from Jesus. It is therefore a season of self-examination, reflection, prayer, repentance, fasting, and giving to those in need.
