

CANADA CONFERENCE NEWS

Green Timbers Church, Surrey B.C.

Our church is a multi-cultural, multi-generational Christ centred community. Please pray that we can continue to cultivate that reality within us and deepen relationship and mission together.

We praise God for the work that God is doing in our community right now. We continue to see growth in our church both spiritually, numerically and cross-culturally. We are thankful for the Trellis grant that allowed us to invest in our Intercultural Competence through

the Intercultural Development Inventory. Paul DeNeui and Deborah Penny came out for a weekend in October to lead us in a time of exploring and growing our ability to interact and grow with each other across what can be cultural barriers. We continue to do follow up work on this individually and corporately. Pray that we are open to each other and open to growing together in a way that will help us communicate the gospel effectively and in a culturally sensitive manner.

We are in the process of hiring a summer community worker who will help facilitate some of our summer ministries and some specific outreach efforts into the surrounding immigrant communities. Please pray for us as we seek the right person for this position. One of the important projects that we hope to see launched this summer is a "Community Kitchen" event for new immigrants (and for those who want to learn cooking from each other).

We are excited about what God is doing through our kids ministry. Our recently formed Children's Ministry Task Force is busy shaping that ministry going forward. Please pray for their work. With that in mind, we are reintroducing Vacation Bible School this summer after a couple of summers without the program because of the influx of kids that we have in our church. Pray for us as we send eleven people to CHIC this summer. Pray for Aaron Peat our pastoral intern who is leading our youth ministry and working on our children's ministry as we seek to nurture young people into Christian leaders in our church and community.

Pray for our Summer ministries, especially our First Friday events which start in June. These are great nights of trying to live into our community in a way that is welcoming! We are also working on a new Outreach Ministry Task Force that will be exploring what we can do and be to best cultivate God's values in the world as we build relational bridges into our life-circles, our neighbourhood and the global village.

Thanks again for your prayers and your partnership,
Pastor Andy Sebanc
