Communion Sunday at Malmo

This morning, we'll be hearing about the ministry of Colleen Nahnychuk as she prepares to go to Argentina. If you'd like to financially support Colleen, please make your cheques out to 'ECCC' & memo them "Global-Argentina".

We'll also be gathering together at the Lord's Table this morning. Our communion elements are gluten, soy, dairy & nut free, so all can participate as you feel comfortable. Take a moment this morning and ready your heart for the table.

Covenant Bay Bible Camp, Pigeon Lake

This weekend, the summer of ministry begins with our first Family Camp. I am bursting with excitement and anticipation to see what God will do during this season! Pray that campers will discover and grow in a relationship with Jesus.

We are launching a course/podcast for parents who are unsure of their beliefs and have a child or children that have made a decision to follow Christ. We are so grateful for the Trellis Foundation for their generous support. This is a pilot project in which we seek to learn how we can best support these campers to continue to grow in a relationship with Jesus. Please pray for this unique approach. Pray that many parents will be equipped to support their child's faith and begin their own journey of discovery.

In August of 2017, construction began on a new accommodation Lodge. Construction will wrap up this fall. There is just over \$100,000 left to raise to complete and furnish the accommodation lodge. You can learn more about this project at www.covenantbay.ca/lodge. Please pray that God will provide all that is needed to complete the construction & that many groups will be well served by it.

Covenant Bay exists to promote a growing relationship with Jesus Christ. We find it incredible that adults who would never consider attending a church service will pay us to introduce their kids to Christ. Roughly 60% of our campers do not attend a church. We have been given an incredible opportunity to bring many to Christ. Pray for those that will begin their relationship with Christ.

Thanks for your prayers this week and throughout the summer.
