## Evangelical Fellowship Church, Edmonton, AB

While many are still enjoying their vacation at home or at a beautiful holiday destination, our leadership continues to seek to discern how we can live out our calling faithfully and impact our community with the gospel in meaningful and effective ways.

Praise for three wonderful weeks of children's camps at Camp Evansburg, how the Lord provided strength, perseverance, and wisdom to our staff, and for the testimonies we heard from many of the campers how God impacted their lives. Continue to pray for the kids from Senior High, Junior High, and Elementary Camp as they return to their homes, for continued growth, and for opportunities to engage with local Christian churches and/or participate in youth groups.

Pray for our Ladies' Fellowship who will have their annual retreat at the same camp in mid-September. Guest speaker is Karen Alksne and quite a few younger women will join this mostly older group for the first time.

We are also so grateful for our new part-time Young Adults Pastor, Jesse Kane, who came to us after an almost unanimous vote in favour of hiring him. Pray for guidance particularly in some difficult issues, such as how to provide leadership to the younger part of our Young Adults who have formed a separate group from those in their late 20s and 30s and who seem to value their independence. They are currently going through the ALPHA Course.

Pray for our elders as they seek to clarify and focus our mission as a church and formulating a specific vision for both short- and long-term goals. There is a community yard sale planned in the near future, we have begun setting up a regular coffee house project to foster relationships cross-generationally in our own congregation and as an outreach to neighbours nearby. We are also looking into improving our website and finding ways to familiarize the congregation with the Covenant denomination, its ethos, operations and events. Hopefully this will ease our way into the ECCC, in the transition from being associated members to a full membership.

Pray for unity, a spirit of repentance where needed, and most importantly a renewal of our first love for Jesus, and for the people He loves, both inside and outside the church.

Thank you so much for praying for us! Josh Mueller, Senior Pastor
