### MENA - Middle East North Africa

The MENA (Middle East North Africa) Region of Serve Globally is seeking to support our local MENA region partners and through them to see the love of Christ transform communities and individuals. **On Monday, November 5**, we will be holding a one-day awareness-builder/fundraiser through social media to invite people to respond to needs of communities served by our trusted local partners in the MENA region.

MENA Monday Canada: The Canadian project will support the Shepherd's Society (the compassion ministry of Bethlehem Bible College) as they meet social, emotional and physical needs of the Palestinian community. Due to a decrease in UN funding available to Palestinians in need, they are experiencing an increase in requests for assistance with food and medical needs. Donations to this ministry partner will allow them to be more responsive to needs in their community.

You can find MENA on Facebook.

## WHAT'S YOUR NEXT STEP?

Have you ever considered taking a missions trip? The Conference organizes yearly missions trips to Ecuador. The next one is scheduled for February 15-25, 2019 and is open to adults, families & youth (accompanied by an adult.) Take some time to consider these words from Pastor Randall:

*"Hey church, the time to decide to make a difference in Ecuador is now. You still have a few days to consider going down yourself and making a difference, or perhaps helping someone to go who would like to go but doesn't have the resources. If God has been leading you about this, consider it. It doesn't just make a difference in Ecuador either, it will make a big difference in us. Think about it."*

The deadline to register is Thursday November 15th. Information pamphlets are available on the Malmo Info Table in the foyer or go to the Conference website at: [www.covchurch.ca/ecuador](http://www.covchurch.ca/ecuador).
