

## CONFERENCE NEWS

### Zoe Church Plant, University of Toronto

This week we pray for a group of people that is preparing for the launch of their church plant at the University of Toronto in fall of 2019. They have chosen to call their church ZOE, which is a New Testament Greek word for life. The following prayer requests are from church planter Mike Filicichia and their launch team.

- Please pray for our visas. A few on our team are awaiting job opportunities or university acceptances to be able to get into the country! (In particular you can pray that Aaron gets a University acceptance letter and that Daniela & Maria find job opportunities)
- Please pray for our support-based staff to connect with those who want to support the ministry and that we can raise the needed funds to move by August.
- Please pray for favour in the university's eyes, that our student group application and my chaplaincy status will be approved! Thank you!
- Oh! And please pray for the two weddings on our launch team this summer! Moving to a new country is a lot for the first 3 months of marriage!
