

CONFERENCE NEWS

Montreal

We recently renewed our residency in Quebec, but a stipulation was put on Di's work record until she could get an additional medical exam. The process has been extremely long and she has not been able to work at the McGill daycare for nearly two months. Please pray for quick resolution to this challenge.

Pray for our Covenant partner church, St-Peter's Anglican. They are merging with another congregation this year. Pray that among the myriad of details, both congregations would be drawn into the deep love of God for them and be inspired in mission with Jesus!

We are still inviting people and churches to partner with us in ministry. We're looking forward to hosting a Covenant youth group this summer in Montreal. If you or your church would like to know more about what God is doing in Montreal, we'd love to chat with you!

Tim continues part-time work with The Presbyterian College helping in the areas of continuing education and lay education. He's recently finished three weekends of various retreats. Pray for him as he balances pastoral work, work at the seminary, and continued visioning and networking for the ECCC in Montreal!

We always appreciate your prayers for our four boys, Eli, Ethan, Ezekiel, and Noah. Eli has begun CGEP (first part of college in Quebec), and the demands are a big adjustment!

As ever, thank you for your friendship in mission!

Tim & Di Keener

"The purpose for engaging in Lenten disciplines is that we would become more finely attuned to our longing for God so we can seek him with all our hearts. Disciplines of fasting and other kinds of abstinence help us face the hold that our sin patterns have on us so we can somehow let go of our attachment to anything that is not God. As we wrestle with a more realistic awareness of the grip our attachments have on us, we enter into the godly grief that leads to repentance, and then forgiveness and freedom."
