News & Information

- **Baby Shower:** We would like to celebrate the arrival of KC & Justene's beautiful daughter, Oaklynn Marian with a baby shower. (Oaklynn is Jeff & Nadene's granddaughter). After much consideration, the shower organizers have decided that the best way to go about this safely in this season of Covid is to take a gift collection for Oaklynn. In addition to shower gifts, we would also like to collect short videos that share a message of congratulations & encouragement, or it can be an encouraging bible verse or memory that you would like to share. This will be compiled by Sarah into a 'Malmo Messages' video keepsake for them. You can send your mini video to Sarah by text or Facebook Messenger. (If you need help recording a message, Sarah can help you.) **Please have gifts and messages given to Sarah by November 23.** Thanks for your help as we welcome and shower this little girl with some Malmo love.
- **Small Groups:** The C.E. Board is in the beginning to organize Small Groups for January. If you are interested in being part of a Small Group OR if you are interested in leading a Small Group, please contact Steve Reid.
- **Iron Men Wind-up Event:** The Iron Men Gritty Integrity Prayer chain has hit the annual mark. They will be having a wind-up to reveal who was praying for who. **This will be on Saturday, December 5th from 4 - 7pm at the Mike Nelson Farm.** There will be a Nerf Gun sharp shooter competition followed by a Pizza supper. BYO Nerf Gun or use the many that will be there. Please bring \$5.00 for the Pizza and drinks. **RSVP to Steve Reid at 780-678-7252.**

News & Information

The following message was emailed to all Malmo attendees on Friday afternoon. The information is important, so we wanted to include it again here. If you're unfamiliar with how we will be meeting in person for Worship for the foreseeable future, please take some time to read the following message. Thank you.

As many of you probably already know, the Alberta Government has placed additional restrictions on Worship Gatherings. Effective immediately, we are allowed to gather with 1/3 capacity of our building. We calculate that number to be around 60 people.

Because of this, we now will be requiring you to RSVP and let us know if you will be coming to our 10:30am Worship Service on Sunday. We will compile the list on a first come first served basis.

Please email us here at office@malmochurch.ca if you would like to attend. The deadline to do this is Saturday evening at 6:00pm. This new process will continue for the foreseeable future, until the restrictions have been lifted.

We would invite you to consider joining us online for our "Scattered but Worshipping Together" service. [CLICK HERE](#) to access this Sunday's service. We are hoping to have BOTH a livestream service, as well as a pre-recorded service.

If you'd like to talk to someone about all of this, or if you have any questions, please call our Church Chairman, Jeremy Plum at 780-312-4236.

We also welcome your prayers for this all. It is getting more and more difficult these days and your prayers for the church and its ministry will help.

During this time of Covid-19, we gather together here at Malmo with "Space and Grace". If you are unable to keep 2 meters of space between you and the next person, we ask that you please wear a mask. (We have masks available in the church entryway.) This is something we all can do, as we continue to be sensitive and love each other through this time.
