Iron Men

Iron Men is over for the year and was planning to have an “End of the year talk to your prayer person get together” event, but due to COVID so many things were cancelled. We were holding out for the restrictions to lift, but this may take a while. So, find below the list of last year’s prayer and the blessed.

Thanks to all for praying to strengthen and encourage men to grow in a deeper relationship with their God and family. We hope that all of you received a Birthday wish as part of the commitment.
